# Sanjay D.

Director, Strategic Portfolio Management at Amneal Pharmaceuticals  
United States

## Summary

Over 15 years of experience in leading and providing hands-on involvement on all stages of projects ranges from API manufacturing to package finish products. Develop detailed project plans including timeline, monitor and track project progress for all R& D, 505b2 and ANDA projects. Coordinate internal and external resources from project initiation to completion including LOA, CDA, MSA, PSA with API Vendors and Clinical sites. Manage changes to project scope, project schedule and project budget. Built and managed strong productive working relationships with internal and external business stakeholders.
